Rises to the surface
for easy pickup

Powerful performance

Get a deep clean with Maytronics Dolphin's superior scrubbing and filtering capabilities.

Ease of use

Simple, plug-and-play operation takes all the hard work out of pool cleaning.

Peace of mind

Dolphin robots run independently from your pool's system, so you get a totally clean pool – no compromise!

Wi-Fi® connectivity

The MyDolphin™ Plus mobile app puts full control of your robot in the palm of your hand. Make your pool perfect, from anywhere, anytime.

maytronics

Dolphin S400

Absolute pool-cleaning performance

The all-new Maytronics **Dolphin S400** robotic pool cleaner makes it super-easy to keep your swimming pool exceptionally clean and ready for fun, with minimum effort and hassle. Get maximum convenience and control all in one, with advanced options like manual drive, a choice of cleaning programs, and delayed start.

The **Dolphin S400** is equipped with a multi-layer, top-load filter basket with extra sealing and larger filtration capacity. With the new MyDolphin™ Plus mobile app, the **Dolphin S400** is always connected, giving you the freedom to control your robotic pool cleaner from anywhere, at any time.

Advanced weekly scheduler and cleaning cycle selector

Multi-layer filtration system with Extra Sealing, prevents the return of fine dust to the pool

Swivel cable helps prevent cable tangles

Actively cleans and scrubs away algae and bacteria

Set & forget, using the MyDolphin™ Plus mobile app

Top-load filter basket for super-easy cleaning
